

INNOVATING FOR A GREENER, SMARTER FUTURE

The International Conference on Intelligent Systems and Sustainable Technologies (ICISST 2026) serves as a global platform for academicians, researchers, industry experts, innovators, and students to exchange ideas, present research findings, and discuss advancements in intelligent systems and sustainable technologies. The conference aims to promote interdisciplinary collaboration and inspire innovative solutions to technological, environmental, industrial, and societal challenges.

Organized by Vidya Academy of Science and Technology, ICISST 2026 reflects the institution's commitment to academic excellence, research innovation, and outcome-based education. The conference will be held on 26–27 June 2026 at the institution's green campus in Thalakkottukara P.O., Kecheri, Thrissur, Kerala.

ICISST 2026 will feature keynote talks, technical paper presentations, workshops, panel discussions, and industry interactions that encourage knowledge sharing and collaborative research. The conference focuses on emerging areas such as Artificial Intelligence, Machine Learning, Data Science, IoT, Robotics, Smart Computing, Renewable Energy Systems, Sustainable Infrastructure, Electric Vehicles, Green Manufacturing, and Digital Technologies for Sustainable Development.

The conference emphasizes the integration of intelligent technologies with sustainable engineering practices to develop innovative, energy-efficient, and environmentally responsible solutions. It also seeks to strengthen collaboration between academia, industry, and society while encouraging future-ready research and innovation for a smarter and more sustainable world.

Call for Papers

ICISST 2026 invites original research papers, review articles, case studies, and innovative project contributions from academicians, researchers, industry professionals, and students working in intelligent systems and sustainable technologies. Authors are encouraged to submit high-quality, unpublished work presenting theoretical advancements, practical applications, experimental studies, or interdisciplinary solutions.

The conference welcomes contributions in areas including Artificial Intelligence, Machine Learning, Data Science, IoT, Intelligent Communication Systems, Robotics and Automation, Cyber Security, Smart Computing, Sustainable Energy Systems, Green Technologies, Electric Vehicles, Industry 4.0, Smart Infrastructure, and Digital Transformation.

Selected high-quality papers may be recommended for publication in reputed journals or conference proceedings, subject to peer review and publisher guidelines. ICISST 2026 aims to create a vibrant platform for innovation, collaboration, and sustainable technological advancement.

Convenors :

Dr. Jeeva K. A., HOD-AI & ML
Dr. Reji C. Joy, HOD-MCA

About the Institution

Vision

Progress through Education

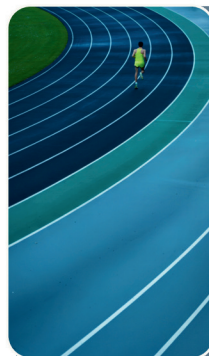

Mission

To seek, strive for and scale greater heights of quality education.

Vidya Academy of Science and Technology (VAST), established in 2003, is one of the premier engineering institutions in Kerala, committed to academic excellence, innovation, research, and value-based education. The institution is approved by AICTE, affiliated to APJ Abdul Kalam Technological University, and accredited with NAAC B++ Grade, reflecting its commitment to quality education and continuous institutional improvement.

Located in the serene green surroundings of Thalakkottukara, Kecheri, Thrissur, the campus provides a vibrant academic environment supported by modern infrastructure, advanced laboratories, research facilities, digital learning resources, and industry-oriented training. The institution emphasizes outcome-based education, skill development, interdisciplinary learning, and holistic student development.

Vidya Academy actively promotes research, innovation, entrepreneurship, sustainability initiatives, and industry collaboration through technical societies, innovation centers, workshops, conferences, and community engagement programs. With a strong focus on academic excellence, professional ethics, and quality enhancement aligned with NAAC standards, the institution strives to nurture globally competent engineers and responsible citizens capable of contributing to technological advancement and societal well-being.

Conference Tracks

- Artificial Intelligence & Machine Learning
- Sustainable Technologies
- Modeling, Simulation & Engineering Analysis
- Automation & Control Systems

Important Dates

- Call for Papers: 16 March 2026
- Final Paper Submission: 25 April 2026
- Notification of Acceptance: 25 May 2026
- Registration Deadline: 10 June 2026
- Conference Dates: 26–27 June 2026

Guidelines

- Maximum 6 authors are allowed per paper.
- At least one author of the selected paper should register for the conference.

Registration Fee for Atlantis Publication

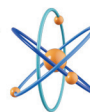

- Indian Authors : ₹7500
 - Foreign Authors: \$400
 - Industry Delegates: ₹9000
- ISBN Proceedings Publication (For UG and PG students only): ₹2000
Participation in Conference: ₹1000

Organizing Committee

Patrons:

Mr. Gireesh Kumar M., Chairman, VICT
Mr. Manu Reghurajan, Secretary, VICT
Mr. Suresh Lal, Executive Director, VICT
Dr. Shalij P.R., Academic Director, VICT
Mr. P N Unnirajan IPS, Administrative Director, VICT

Organising Chair:

Dr. Sunitha C., Principal, VAST

Organising Committee:

Dr. Anjali P. Sasidharan, Dept.of CE, VAST
Dr. Sanaj M. S, Dept.of CSE, VAST
Dr. Shameem S., Dept.of CSE, VAST
Ms. Riya Roy, Dept.of AI & ML, VAST
Ms. Remya K. R., Dept. of ECE, VAST
Dr. Siju K. C., Dept.of AS & H, VAST
Dr. Latha Dinesh., Dept. of EEE, VAST
Mr. Manesh D, Dept. of MCA, VAST

Technical Committee

Dr. Sreekanth K. J.

Research Scientist, Kuwait Institute for Scientific Research, Kuwait

Dr. Anna Charly

Faculty of Science and Engineering, University of Liverpool, U.K.

Dr. Harigovindan V. P.

Professor & Dean, NIT Puducherry, India

Dr. Sudha Balagopalan

Professor EEE, Director (Outreach & Professional Development), Christ college of Engineering, India

Dr. Sachin Kumar S.

Asst. Prof. and Research Head, Amrita School of Artificial Intelligence, Coimbatore, India

Dr. Nithin, Padmanabhan

Senior Research Engineer, Electric Power Research Institute(EPRI), Canada.

Dr. Sooraj K. Prabha

Professor and Research Head, VAST, India

Keynote Speakers

Prof. D. Sakthi Kumar

Graduate School of Interdisciplinary New Science, Toyo University, Japan

Dr. Padmakumar Nair

Vice Chancellor, Thapar Institute of Engineering and Technology, India

Dr. Sreekanth K. J.

Research Scientist, Kuwait Institute for Scientific Research, Kuwait

Dr. Toby Cumberbatch

Chair IEEE Smart Village Education Committee, USA

Mr. Pramodkumar Karunalayam

Digital Transformation Evangelist, AI Strategist, Philip Morris, Japan

Dr. Rubell Marion Lincy G.

HOD, Dept. of Computer Science & Engineering, IIT Kottayam, India

Dr. Anna Charly

Faculty of Science and Engineering, University of Liverpool, U.K.

Dr. Achuthsankar S. Nair

Former Professor & HOD of Bioinformatics, University of Kerala, India

Dr. Soman K. P.

Dean, School of Artificial Intelligence, Amrita Viswa Vidyapeetham, Coimbatore, India

Advisory Board

Prof. D. Sakthi Kumar

Graduate School of Interdisciplinary New Science, Toyo University, Japan

Dr. Toby Cumberbatch

Chair, IEEE Smart Village Education Committee

Dr. Padmakumar Nair

Vice Chancellor, Thapar Institute of Engineering and Technology, Punjab, India.

Dr. Shashi Nambisan

Director, Transportation Research Center; Professor of Civil Engineering, University of Nevada–Las Vegas, USA.

Mr. Pramodkumar Karunalayam

Digital Transformation Evangelist, AI Strategist, Philip Morris, Japan

Dr. Digvijay S. Pawar

Associate Professor, IIT Hyderabad, India

Dr. Achuthsankar S. Nair

Former Professor and Head, Dept. of Bioinformatics, University of Kerala, India

Prof. Gayathri Bharathan

Assistant Professor, Optics and Photonics Centre, IIT Delhi, India

Mr. Laj Lal

Build Engineer, Apple, Japan

Dr. A. Jaya

Professor & Director (CDOE), BSAR Crescent Institute of Science and Technology, Chennai, India

Dr. V. N. Krishnachandran

Professor Emeritus, Sreepathy Institute of Management and Technology, Palakkad, India

Mr. Zaher Abdulrahman

Electronics Lead Engineer, Jaguar Land Rover Ltd., Germany

Dr. Shailesh Sivan

Principal AI Architect, University of Madras, India
